Boeing & IITs present

National Aero-Modeling Competition

Abstract Submission Paper

Team Name :

Team id :

Participant Name	College Name	Email Address	Contact No.
1.			
2.			
3.			
4.			

1. Please describe the basic aspects of your design (dimensions, wing area, max. velocity etc.)

2 Explain how your design is suitable for the problem described in the problem statement

GENERAL INSTRUCTIONS

1. All teams need to submit the Abstract on their aircraft.
2. Kindly attach a scanned copy of your student id cards along with the Abstract submission paper
3. The space below the question is NOT indicative of the length of the reply expected. Please make your answers as detailed and clear as possible.
4. No field should be left blank
5. The Abstract should be submitted in .pdf format only
6. Multiple submissions will lead to the disqualification of the team and the participants
7. Last date for abstract submission is **4th January 2014, 11:59 pm**.
8. Participants should also send a zip file containing at least 5 and no more than 10 photographs of the plane while it is being built along with the Abstract
9. Coordinators have the right to accept or reject any Abstract
10. Decision of coordinators is final and binding on all participants in case of discrepancies
11. The abstract needs to be uploaded on the website after registering for this event via Kshitij's website.
